+234 901 837 8291

Skilled and self-motivated Software Engineer specializing in Node.js and React, with extensive experience in developing robust, responsive, and scalable web applications. With expertise in both frontend and backend technologies, I excel in building high-performance solutions, collaborating with cross-functional teams, and tackling complex challenges. I'm eager to bring my technical expertise to a Full Stack Developer role where I can contribute to impactful projects and further refine my craft.

Willing to relocate: Anywhere

## Work Experience

---

### **MERN Stack Developer Intern**

Loubby AI
